Congratulations on your recent election to your Neighborhood Council! Whether you're a returning board member or brand-new to the Neighborhood Council system, we're thrilled to have you on our team.

Contact Lists Enclosed & How To Use Them

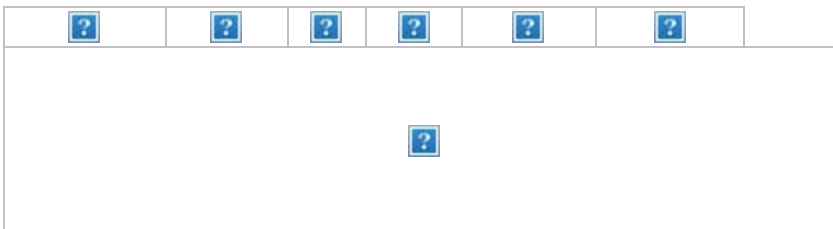

Attached are two contact lists: one for candidates who ran for a seat on your board; the other for stakeholders who voted in your 2016 election. Please invite both groups to your meetings, and add them to your newsletter email list. Make sure you provide the option of voters and candidates opting out of your mailing list. These lists should only be used for Neighborhood Council business.

The candidate contact list attached here is a great place to start when recruiting new committee members. You can send an email thanking candidates for their interest in your Neighborhood Council, and saying you hope they'll remain involved by joining one of your committees. For the best results, include a list of your committees noting the time/date each one meets. A few words about the topics or projects each committee focuses on is also helpful.
